AS "JI" HOWEVER, ジ IS MORE
COMMONLY USED, WHILE ヂ IS HARDLY EVER
USED.

Last year on october

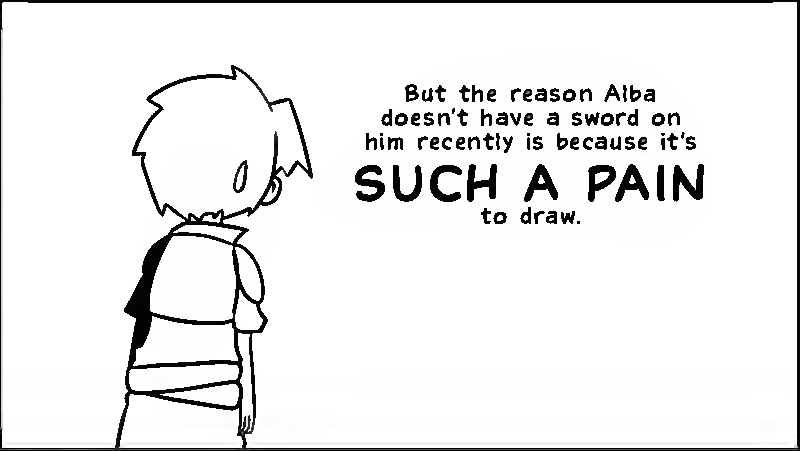
In the top cover of the renewal,

Alba doesn't have any accessories on his neck.

Foyfoy's hair is supposed to be cut, too.

It's not that I forgot about them.
Since the king turned to be bad,
they're not wearing the hero emblems
from the king anymore.

I got a looot
of mails saying
"hey, you forgot to
draw them-- !"



But the reason Alba doesn't have a sword on him recently is because it's
SUCH A PAIN
to draw.
